I want to believe that by the end of the week of the City Council meeting in which it's approved, a check will be mailed. However, I'm hesitant to be any more definite.

Thank you for the update and staying on top of this. Do we know the timeline of once the City approves and when we would see the funds returned?

Hi Jo-Anna,

The City Manager pulled the item from last night's agenda. I just learned he moved it to September 10 agenda. I'm not sure why but have been assured it will not be moved again. Once again I can only apologize for the delay.

Sincerely,
Jim

Good Morning Jim-

Just wanted to reach out and see how things went last night. I took a really quick look at the meeting agenda and didn't see anything mentioned about an "anonymous charitable organization" so I figured I would see if you had an update for me.

Thank you again for all your work on this. I know this is was not an easy situation to walk into.

Thanks-

Jo-Anna

Good afternoon Jo-Anna,

The City Council memo for the return of the \$75,000 to the Shirk Family Foundation will be placed on the August 27th consent agenda. We are anticipating that the item will be pulled by a Council Member, and will be prepared for any questions they may ask. The memo does not list the Shirk Family Foundation by name, but as an "anonymous charitable organization".

I will continue to keep you posted.

Jim
